Supplement certification

Date of issue: Vice-Rector: Head of International Relations Department: Official Stamp

Information on the national education system

Completion of state-accredited educational programme of higher education of a relevant level at an educational institution of higher education entitles a person to practice the profession and is a prerequisite for taking up certain positions requiring, according to the laws of the Russian Federation, a certain level of professional education and/or qualification, unless otherwise specified by federal laws.

The qualifications (degrees) of Bachelor, Specialist, Master and Researcher Teacher-Researcher entitle a person to apply for positions that demand higher education of a relevant level according to the job qualification requirements, unless otherwise specified by federal laws.

Levels of higher education in the Russian Federation:
Higher education - Bachelor level
Higher education - Specialist level/Master level
Higher education - training of highly qualified staff.

Persons who obtain the Bachelor qualification (degree) documented by a state-recognized degree certificate (diploma) of the relevant level are entitled to take part in competition for admission to master's educational programmes.

Persons who obtain the Specialist or Master qualification (degree) documented by a state-recognized degree certificate (diploma) of the relevant level are entitled to continue education on a competitive basis in educational programmes aimed at academic staff training.

Date of issue:

The purpose of the supplement is to provide sufficient independent data to improve the international academic and professional recognition of qualifications (diplomas, degrees, certificates, etc.). It is designed to provide a description of the nature, level, content and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It is free from any value judgements, equivalence statements or suggestions about recognition. Information should be provided in all eight sections. In case the relevant information is not provided, the reason therefore is to be stated.

Note: The total workload in the higher education system of the Russian Federation is evaluated in academic hours, one academic hour is 45 minutes, one week of full-time study is 54 hours of total workload, one ECTS credit is 36 hours of total workload.
