International Scientific and Practical Conference

VI Solovyov Historical and Philosophical Readings

"Aspects of the Humanities: Research, Heritage, Spiritual Benchmarks"

4-5 December 2025

The target of the conference is to comprehend and popularize Russian historical experience, foster interest in achievements of humanities and education in Russia and the world through a philosophical and historical lens, define modern concepts for patriotic youth education, scientifically analyze anticipated socio-cultural changes under current geopolitical and social conditions, study positive interaction between educational system and cultural space, assess the prospects of domestic and international experience and the potential of research and educational strategies in the humanities, and forecast improved models of the education system to optimize educational practices and promote sustainable societal development.

Participants: we invite faculty, graduate and undergraduate students, education professionals and administrators, and anyone interested in the development of the humanities and society, to participate in our conference.

The form of the event: the event will be held in a face-to-face format with the use of remote technologies.

Conference languages: Russian and English

Topics of scientific events:

Plenary session

Section 1. *History and historical memory as the foundation for the consolidation of modern Russian society (commemorating the 205th anniversary of the Russian historian S.M. Solovyov).*
